QUESTIONS

What are you hoping to gain from this program (both personally and professionally)?

Leadership is not a position. It is a set of skills and capabilities that allow an individual to influence the behaviour of others, to help them solve problems, build successful teams, work creatively, formulate and achieve mutual goals. Describe a leadership challenge that you faced. What did you do? What was the outcome? What did you learn?

REFERENCES

Please provide references who can speak to your leadership capability and success either personally or professionally.

ADMISSIONS CHECK LIST

Please provide the following as attachments in an email:

- This completed application form, including the list of references
- Your resume (as an attachment)

All applications are to be sent electronically to The Health Leadership Academy HLINFO@MCMASTER.CA

Applicants will be asked to participate in a personal interview. Those moving to the interview stage will be contacted directly.
